turning blue Blue Career Roadmap

Key for Successful Roadmap Implementation

- Awareness-raising campaign to address stigma
- Tailored mentoring pre and post release
- Vocational training alignment with industry
- Increase cross-sectoral cooperation
- Financial support to employ young people leaving prison
- In-person contact between youths and BE employers
- Common EU-wide training to allow mobility across BE's

1. Training for a Blue Career

Turning Blue Awareness Training (incl. sectors with skills shortages and entry level roles, and general transferable competency development)

2. Competency Evaluation

Evaluation of interest, motivation, skills and competencies post awareness training (incl. identifying gaps for additional certification/training)

3. Supported Career Path Exploration

Based on competency profiles, job matching with industry organisations roles are identifying and applications supported.

4. Training/Internship/Work

- Entry-level position (gained post-release);
- Practical work experience/internship (gained in prison, or post-release);
- Identification of available extra certification/ training required (with availability in prison/or post reslease)

5. Ongoing Mentoring

Continued professional development and career progression.
